NONCOMPLIANCE SUMMARY

The individual under supervision has not complied with the following condition(s) of supervision:

Violation Number Nature of Noncompliance

1. Alston violated the following special condition of supervised release:

“You must refrain from the illegal possession and use of drugs, including prescription medication not prescribed in your name, and the use of alcohol, and must submit to urinalysis or other forms of testing to ensure compliance. It is further ordered that you must submit to evaluation and treatment, on an outpatient or inpatient basis, as approved by the U.S. Probation Office. You must abide by the rules of any program and must remain in treatment until satisfactorily discharged by the Court. You must alert all medical professionals of any prior substance abuse history, including any prior history of prescription drug abuse. The U.S. Probation Office will supervise your compliance with this condition.”

On September 22nd, 2022, Mr. Alston submitted to urinalysis at his outpatient treatment program and tested positive for alcohol.

U.S. Probation Officer Action:

On September 26th, 2022, the undersigned officer was notified by the treatment provider that Alston tested positive for alcohol on September 22nd, 2022. Mr. Alston was verbally reprimanded for the use of alcohol and consequences for the continued use were discussed. Since this positive test Alston has tested negative on three separate dates (10/6/22, 11/1/22, and 11/10/22). As a graduated sanction, the U.S. Probation Office will be enrolling Alston in a random testing program with a Sober Link Device. This program will contact
